## Are you ready to electrify your ride?

If you've given thought to purchasing an electric car, we have the resource for you. On our website you can now calculate the costs and benefits of driving an electric car, discover the right car based on your travel needs and find answers to your charging questions.

We're also hosting ride and drive events in your area, where you can test drive multiple models of electric cars with zero sales pressure. Our next ride and drive will be on June 23 at the Bellevue Strawberry Festival. To learn more and sign up for our newsletter go to [pse.com/electriccars](http://pse.com/electriccars).

## The PSE mobile app has been updated! Access your account, view and pay bills

Now accessing your account information on the go has never been easier. Our mobile app now offers new self-service capabilities, allowing you to manage your account, review your account summary and make payments. You can still track and report power outages, check status and estimated restoration times, all in the palm of your hand.

For more information go to [pse.com/app](http://pse.com/app).

## Natural gas energy efficiency report card

Your efforts in saving natural gas resources in 2016 and 2017 surpassed the conservation target, and demonstrated once again that our customers are leaders in energy efficiency.

Each year, we measure our effectiveness in encouraging customers to take steps to reduce their energy usage.

Key measurement	Target	2016–17 performance*	Achieved
Natural gas savings	7.43 million therms	8.19 million therms of first-year savings, as reported at the customer meter—enough natural gas to serve nearly 9,900 homes in one year.	✓

\* Failure to meet the target in either year can result in penalties of up to \$750,000.

Your ongoing energy-saving steps help lessen our need for additional investments in natural gas resources. Thank you.
